

# SUMMER OF CHANGE

## for the Seattle Ronald McDonald House

Participate in the SUMMER OF CHANGE by collecting donations for the Seattle Ronald McDonald House. Coin Drives are a fun way to raise money and be part of your community. Collect coins wherever you spend time – home, neighborhood, school, camp... If you submit your donation by September 15, 2010, you will be entered into a drawing to win lunch with Ronald McDonald at a McDonald's Restaurant location to be determined.

### Getting started:

- Register – Fill out the attached form and send it to Ronald McDonald House at 5130 40<sup>th</sup> Ave. NE, Seattle, WA 98105
- Find a container for your coins – A jar, a milk jug, a piggy bank – any container will work. Have fun with it by making a sign or decorating your container.
- Contact RMHC if you need literature – We have brochures, newsletters and other pieces that will help you and your donors learn more about the House. Email [heather@rmhcseattle.org](mailto:heather@rmhcseattle.org) for more information.
- Collect donations – Ask family, friends and neighbors to contribute to your coin drive. Consider setting up a collection container at your parents work or local coffee shop. Run a neighborhood lemonade stand and donate the money you make to the House. The possibilities are endless!
- Deliver your coins to the House – Once you have finished collecting coins, drop them off in person at the House. Your name will be entered to win lunch with the one and only Ronald McDonald!
