Welcome!

Thank you for being with us at the 28th Annual Ronald McDonald House Charities Gala. I am really excited to join you tonight as the honorary chair for this amazing event. We’ve come together tonight to celebrate a wonderful organization in our community that makes such a difference for families when they need it most.

The Seattle Ronald McDonald House is home to 500 families a year who come to Seattle so that their children are able to receive the medical care they need. These families face so many challenges when they arrive -- a child fighting a potentially life-threatening diagnosis, being away from family and friends, mounting financial worries and the need to keep the family strong and together through a tough time. Each one of these families, once they walk through the doors of our Ronald McDonald House, have an immediate support group and a clean, safe place to call home for as long as they need it. That makes me very proud of our Seattle community!

At Metropolitan Market, making contributions to our community is core to our mission and guiding principles. Our Sand Point store developed a great partnership with the Seattle Ronald McDonald House when we opened our doors in 2003, and we are very proud of the relationship and community support we have developed over the last 13 years. We contribute annual funds for the House, our team members volunteer through the year and we see the Ronald McDonald house families every day in the store. This partnership has been a very special part of the culture and experience at our Sand Point store. I am so honored to be here tonight, joining all of you to make sure that our Ronald McDonald House is well supported by the community for the children and families they serve.

I hope that you will enjoy your evening and that you will be generous in your participation. Thank you for your support not only tonight, but also throughout the year.

Todd Korman
CEO and President

Symetra employees have hosted 175 dinner nights for families staying at the House, have come as a group to help with cleaning projects on eight separate occasions and have won the President’s Volunteer Community Service Award for seven consecutive years. We are very grateful to Symetra for their long standing support and commitment to the Ronald McDonald House and the families who call it home.

The Fred Shultz Honoree program was established in the name of former board member and long-time friend of the House, Fred Schultz. Previous honorees include Georgetown Brewing Company, Report Footwear, Eleanor Garrison, The Seattle Thunderbirds, and more.

Evening Highlights

Raffles
$1,000 Nordstrom Gift Card
Tonight you have a unique opportunity to win a $1,000 Nordstrom gift card for just $25! During the cocktail reception and silent auction, raffle ticket merchants will be circulating through the foyer and stationed near the ballroom doors. One lucky winner will be selected at the beginning of the Live Auction. You must be present in the ballroom during the drawing to win.

Vote With Your Ticket Raffle
You can purchase raffle tickets for just $10 each for a chance to win one of 10 great items, including hotel, wine, jewelry and more! Visit the raffle item display table located near the ballroom entrance to purchase your tickets and place them in the specific container of the item(s) you would like to win. We will draw one lucky ticket for each item at 7 p.m. and display the results on the screens in the ballroom.

Wine Wall
Sponsored by
Be sure to visit the Wine Wall, sponsored by Spawn. On display are bottles of wine and champagne, each wrapped to disguise the type, vineyard, and vintage. Using your bid number, simply walk up to the Wine Wall and make your selection known to the representative. Guests can make a maximum of five selections at $75 each. Once your selection is pulled, you can unveil it to discover a fabulous bottle of wine to take home. The selection is incredible, and includes bottles from Leonetti, L’Ecole, and more!
Ronald McDonald House Charities helps make it easier for kids and families to stay together and play together while they go through some really tough situations.

And Wizards of the Coast is proud to be a part of the community supporting RMHC.

Even though the auction is silent, your generosity speaks loud and clear.

So keep bidding—Everybody Wins.
New Additions to the Gala

Heads or Tails
Tonight we will be playing Heads or Tails in the ballroom and the more people who play the more fun it will be! You simply try to guess whether the auctioneer’s coin will come up heads or tails and you show your guess by grabbing your head or tail. Chances to win are $20 and you can purchase up to two from ticket sellers during the cocktail reception. The last person standing will win dinner for two at El Gaucho and a one-night stay at the Waterfront Marriott.

Dessert Dash
This year we are also offering a dessert dash with some truly wonderful cakes and pies, which will be on display during the cocktail reception. There will be dessert dash sheets at each table and all you have to do is convince your table partners to pitch in so your table gets to dash over and choose an elegant dessert. There are a limited number of cakes available, so bid high!

The winners will be called at Live Auction item 17.

Waterford Crystal Centerpieces
Our centerpieces tonight are towers of Waterford and Marquis by Waterford crystal pieces. The pieces are individually wrapped (you won’t know what you have until after you buy it!) and each centerpiece consists of three or four pieces with a guaranteed total value of at least $300. Bid sheets for the centerpieces will be on each table. We are grateful to Lou and Bill Barry for this generous donation!

Event Volunteers
Thank you to our dedicated volunteers who have spent the last few months preparing for our gala and to those who are volunteering at the event tonight. By helping plan and manage the evening, each volunteer is making a difference in the life of a child at the Seattle Ronald McDonald House®. We would like to thank you and recognize you for your efforts.
Ronald McDonald House Charities® of Western Washington & Alaska supports seriously ill children and their families. At the Seattle Ronald McDonald House®, we provide a home away from home to help families through a difficult time. We also provide a van service for families staying in Anchorage while their children receive medical care.

The Seattle Ronald McDonald House

- A caring home away from home that provides a safe, comfortable place to live for seriously ill children and their families while the child is undergoing medical treatment at nearby Seattle Children’s.
- The House has 80 rooms and in 2015 provided 28,475 nights of housing to 448 families, most of whom came from Washington, Alaska, Montana and Idaho.
- The House offers families their own individual rooms and bathrooms, shared spaces including a fully equipped kitchen and dining area, a stocked pantry, computer lab, laundry facilities and play areas. It also includes dedicated housing for 10 pediatric bone marrow transplant patients and their families.
- If a family would like to contribute towards their stay, we suggest $30 per night; however no one is ever turned away due to financial constraints. Most families are struggling financially and often stay for several months to more than a year. The average length of stay in 2015 was 62 nights.
- More than a place to stay, the Seattle Ronald McDonald House offers community and security – a feeling that families are not alone in their worry.
- Children staying at the House all have serious or chronic illnesses. Some examples include leukemia and other cancers, heart conditions and organ transplants.
- More than 500 volunteers contribute their time and services every month.
The Anchorage Ronald McDonald House

On January 11th, 2017, we will open the first Ronald McDonald House in Alaska. We are partnering with the Alaska Native Medical Center to operate the sixth floor of their new patient housing building as a Ronald McDonald House. The House will have 34 residence rooms, a common kitchen, living room and play area and the building will include a large cafeteria, sitting area, exercise area and playground. The House will serve pediatric patients and their families who have to come to Anchorage for care as well as high-risk, expectant mothers who need to be in Anchorage to ensure a safe delivery. We are excited to further our long-standing partnership with the Alaska Native Medical Center and to serve even more Alaskan families in Anchorage.
