

How to Wash Dishes

Decide where dish belongs

No label?

Goes in dishwasher

“Meal Program” label?

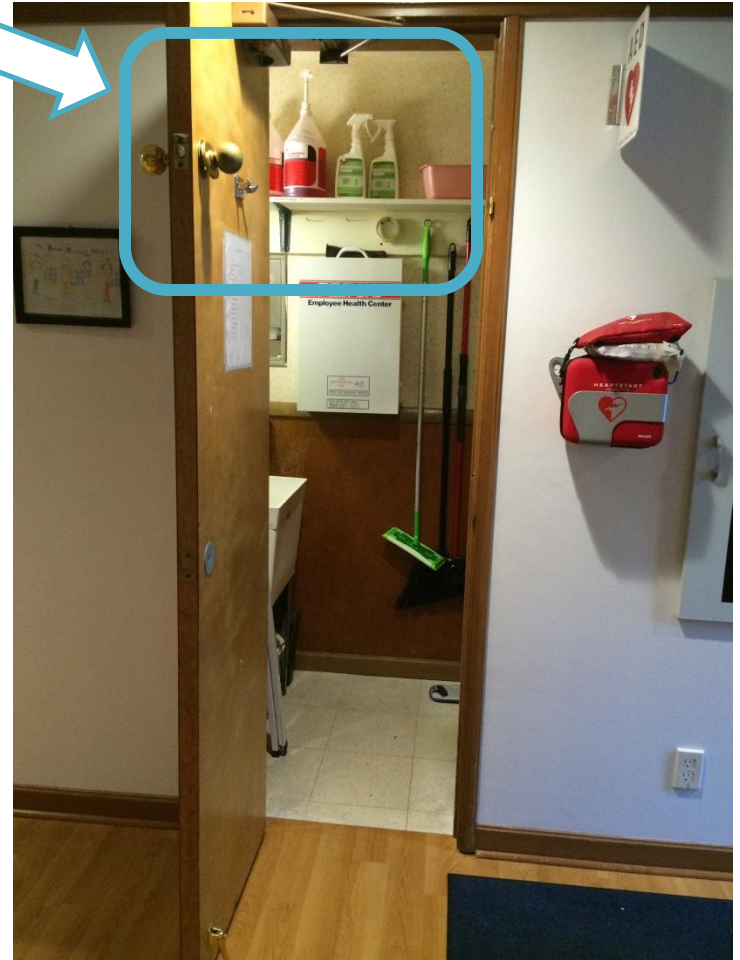

Hand wash

How to Wash Dishes: Set-up

1 Gather Supplies

Find dishwashing supplies under the kitchen sink and in the utility closet in the hallway

2 Mix Solution

Mix 1 pump pink sanitizer concentrate with 4 gallons water in the gray tub

How to Wash Dishes

1 Wash

Wash each dish in hot, soapy water using brush or paper towel.

2 Rinse

Rinse in hot water.

3 Disinfect

Dip each dish in food-safe (not DZ-7) sanitizing rinse, or spray with sanitizing rinse.

4 Dry/Put Away

Dry with paper towels. Return clean dish to designated "home" in pantry.
