## OUR MISSION

*To support seriously ill children and their families by providing a home away from home while they undergo critical medical care.*

## WHAT WE PROVIDE

- **Comfortable, clean accommodations;** a total of 114 private rooms with en-suite bathrooms in Seattle and Anchorage
- **Everyday essentials** like linens and toiletries
- **Completely equipped kitchens** with fully-stocked pantries
- **A supportive and welcoming community** and environment
- **COVID-19 safety measures** appropriate for our immunocompromised residents, including screening, disinfection, and social distancing.
- **Opportunities for joyful family moments** during extremely difficult times

## OUR HOUSES

Our **Seattle House** serves families with children in treatment at Seattle Children's Hospital. The campus is in walking distance to the hospital and has 80 rooms, including 10 individual apartments for bone marrow transplant patients.

Our **Anchorage House** operates in the Alaska Native Medical Center's patient housing building. With 34 rooms, it provides a cozy home for expectant mothers with high-risk pregnancies, pediatric patients, and patient families.

## OUR VOLUNTEERS

Our crew of essential volunteers continued to be the heart of the House, whether remote or in-person. In 2021, they:

- Served our families in person when possible. Support included front desk volunteers, help feeding families, and grounds keeping.
- Sponsored boxed meals and provided much needed food support for families.
- Volunteered remotely through our **Help from Home** program
